Three-day excursion:

After a busy day traveling, drop your bags at the hotel or B&B and begin your Bot-e-Type experience by heading out to Botetourt's newest course, the Greenfield Disc Golf Course. This 18-hole course located near the award winning Botetourt Sports Complex, offers par 3 and par 4 difficulty tees, as well as a par 5. With three sets of tee boxes for both the amateur and the more skilled players, there's fun for the whole family. Play the entire course or just pick and choose your route. The number one rule is to have fun and be safe. End the evening with a relaxing meal at one of the many restaurants Botetourt County has to offer. From casual to formal dining, there are even options that offer live music by local musicians.

Start the morning off with a cup of coffee and breakfast sandwich from one of our local coffee shops, Land of a Thousand Hills Coffee Co. or Mill Mountain Coffee & Tea, both located in Daleville. Enjoy the fresh brewed aroma of coffee beans as you plan out your victory on the green. Tee off surrounded by panoramic views of the Blue Ridge Mountains at Ashley Plantation. Enjoy the only 27-hole championship golf course in Virginia's Blue Ridge and its beautiful Georgian-style clubhouse. Break from the green to enjoy lunch at the clubhouse or head to one of the many restaurant offerings, located in nearby Daleville. Whether driving in for the day or staying overnight at one of our many lodging options throughout the County, Botetourt offers an array of dining options to round out your vacation experience.

If you're looking for a course that challenges both newcomers and seasoned players, Botetourt Golf and Swim Club will not disappoint. Head out to this traditional club with friends and family and enjoy a round before heading home. With breathtaking mountain views, enjoy walking the course at your pace or zooming around in a golf-cart.

Enjoy lunch on the deck overlooking the 9th and 18th holes and listen to the wild life in the surrounding trees.
